Vallone Design specializes in luxury residential interiors, as well as hospitality projects with an emphasis on private clubs, spas and hotels. Our design focus is to create a space that reflects the personality and lifestyle of our client rather than a "style" that says Vallone Design. People sometimes live for years in beautiful rooms that never say anything about who they are or what they love. As interior designers, we feel it is our role to ensure the design team provides the client with a space that captures the individual identity of the location, while providing a residential, timeless atmosphere. When working with the design team, our goal is to foster a relationship that invites open communication, teamwork and an awareness of the client's needs. Donna Vallone is president and lead designer with more than 25 years of experience in interior design. The Vallone design team consists of project designers Kim Anderson, Berkley Vallone, Niki Scatena, Kris Stockfisch, and Shane Mehrer. The team is supported by eight design staff and seven administrative staff.
